A VISION FOR BETTER HEALTHCARE A MESSAGE FROM DIRECTOR

I am honored to lead Premium Diagnostic Center, a premier healthcare diagnostic facility committed to providing quality, convenience, and affordability to our patients. Our state-of-the-art technology, experienced staff, and commitment to excellence make us a leader in the industry.

We strive to create a seamless and efficient healthcare experience for our patients, from scheduling appointments to receiving test results. At Premium Diagnostic Center, we believe that healthcare should be accessible to everyone, and we work hard to ensure that our services are available at reasonable rates.

We also understand the importance of collaboration and partnerships in advancing healthcare, which is why we are always looking for opportunities to work with other healthcare providers and industry experts. Together, we can continue to improve healthcare and enhance the lives of people in our communities.

Thank you for choosing Premium Diagnostic Center for your healthcare needs. We are committed to exceeding your expectations and providing you with the highest level of care.

Sincerely,
Asad Ali

Director Operations

INTRODUCTION

Premium Diagnostic Center (PDC) is a leading healthcare diagnostic facility dedicated to providing premium quality, convenient, and affordable services. As part of the Premium Group of Companies (PGC), PDC offers a comprehensive range of diagnostic and healthcare services, ensuring that our clients receive a holistic healthcare experience. Our state-of-the-art facility is equipped with cutting-edge technology and staffed by experienced professionals who prioritize patient care and satisfaction.

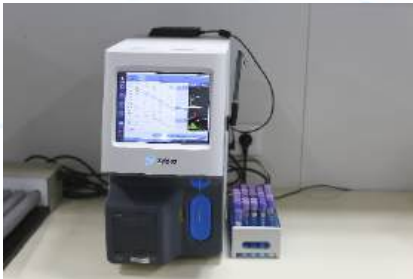

OUR HISTORY

Established in 2015, Premium Diagnostic Center has grown exponentially, gaining a reputation for excellence in the healthcare industry. Joining the Premium Group of Companies in 2020 has facilitated further growth and expansion, allowing PDC to continue innovating and providing top-tier healthcare solutions to our clients.

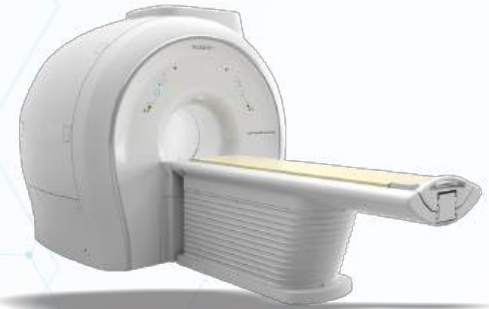

Laboratory Services:

Our advanced laboratory facilities provide accurate and timely results in hematology, chemistry, microbiology, immunology, and molecular diagnostics.

Radiology Services:

Utilizing state-of-the-art imaging technology, our radiology department offers X-rays, CT scans, MRI, ultrasound, OPG, and mammography services.

Dialysis Center:

Our modern Dialysis Center is dedicated to providing personalized care and support for patients with chronic kidney disease, offering hemodialysis, peritoneal dialysis, and continuous renal replacement therapy (CRRT).

Consultant Clinics:

Our consultant clinics house specialized doctors in various medical fields, ensuring that our patients receive expert care and guidance for their health concerns.

State-of-the-Art Pathology Laboratory

OUR SERVICES

PDC offers an extensive range of diagnostic and healthcare services, including:

Pharmacy Services:

One Care Pharmacy offers a range of prescription and over-the-counter medications, medical supplies, and specialized services such as medication therapy management and chronic disease management.

Neurodiagnostic Services:

Premium Diagnostic Center's neurodiagnostic department offers advanced testing services to evaluate nervous system function. Our experienced team utilizes state-of-the-art equipment for tests like Nerve Conduction Studies (NCS), Electromyography (EMG), and Electroencephalography (EEG). These tests help diagnose conditions such as neuropathies, nerve compression syndromes, muscular disorders, nerve injuries, neuromuscular junction diseases, epilepsy, and sleep disorders. By providing specialized neurodiagnostic services, we ensure accurate diagnosis and effective treatment planning for patients with various neurological conditions.

Quality and Accreditation

PDC is committed to maintaining the highest standards of quality, holding ISO 9001 certification, regulatory approvals from PNRA, IHRA, PHC, and participating in the External Quality Assurance Program of NEQAPP.

Our Commitment to Customers

At PDC, we prioritize transparency, honesty, and the well-being of our customers. We strive to create a seamless healthcare experience and are dedicated to exceeding expectations and providing the highest level of care.

Our Facilities and Equipment

Investing in state-of-the-art facilities and equipment allows PDC to provide the best possible care to our patients. We are dedicated to continuous improvement, regularly upgrading our equipment and facilities to stay ahead in the medical technology landscape.

Our Future Plans

PDC has ambitious plans for growth, including expanding to new geographic locations, investing in cutting-edge technology, and exploring new areas of specialization, such as genetic testing and personalized medicine.
